Profile

Looking to work in an organization with a dynamic work environment, where I will be able to contribute my expertise in Technical and management skills for the growth of the organization as well as to enhance my knowledge of new and emerging technologies.

Professional Experience

Zoho Corporation Pvt. Ltd   Aug 2024 – Sep 2024
PROJECT TRAINEE   Madurai, Tamil Nadu

During my internship at **Zoho Corporation**, I gained hands-on experience in software development, enhancing my skills in **Java, MySQL, RESTful APIs** and **JSP**. I worked on building scalable back-end systems, optimizing database queries, and creating dynamic web applications while adhering to industry best practices.
